

STATINTL

Gen. Maxwell Taylor, the military "Brains Dep't" for the White House, was asked if he regretted returning to the midsummer heat and turmoil of Washington. He replied: "A lot of us may be doing things we don't like to do in the next few years."

Such as fighting Reds in Germany and employing them in Hollywood.

Item: "It is regarded as virtually certain that Allen Dulles, the CIA director, will be leaving the agency, perhaps in Autumn. Our country would be healthier if Mr. Dulles replaced Adlai Stevenson, the star character witness for patriot Alger Hiss."
